Directed by Pato Margetic, professional Soccer Player & Coach

Tennis soccer is a new lightening quick hybrid sport played on tennis courts (or grass) using a soccer ball. Basically playing tennis using soccer skills (no hands). We strive to unite soccer's hard core fans by fueling their passion for the game. With furious, non-contact action, Tennis Soccer provides opportunity to develop soccer players by teaching precise first touch; increased overall soccer coordination; use of head, chest, thigh & feet for creative kicks & passes; quick reaction and decision making & increased foresight. Learn this exciting new sport at our instructional camp on Aug 1st then show off your new skills at our tournament on Aug 29th. (3 games guaranteed).
